Objective Statement – I would like to find a position that allows me help grow the company, and that utilizes my skills and strong work ethic.

Work Experience

Kansas City Royals (Aramark) - 2013 to Present – Bartender and Suite Attendant

- High volume bartending, handling of cash/accounts, and customer/guest service.
- Requires you to be alert and mentally in tune at all times to handle and constantly adapt to high levels of stress.

Kauffman Center for the Performing Arts (Aramark, Treat America) - August 2012 to Present - Bartender, Server, General Event Coordinator

- Guest services and bartending for many sold out shows as well as events at Kauffman center for the performing arts.
- Setting and unsetting of several very large events for up to 600 people including clients, political figures, and potential donors to the Kansas City arts program.

Atlantic Records - May 2006 – August 2012 - Writer/Artist/Producer/Engineer

- Accreditations include iTunes top 50, musical guest on “the Late Show with David Letterman”, Tribeca Film Festival featured performer, Pitch Weekly best of awards 3 years in a row, and guest on KCRW’s “The Morning Becomes Eclectic” with Nic Harcourt (a nationally syndicated public radio show with streams in the millions).
- Managed deadlines and rigorous touring schedules while also producing music for retail sale, film, and television use.

Crosstown Station - December 2009 – October 2011 – Concert Venue Bartender and Assistant Manager

- Learned to manage very large crowds and large sums of cash while monitoring inventory and portion control.
- Furthered my knowledge of classic cocktails and inventing new drinks, shots, and cocktails on a nightly basis to move specific inventory and maximize profits.
- Managed many nightly duties including payroll, data entry, and cash handling while supervising employees on staff.

Education

UMKC – 2015 to 2017

- Will be studying for my Bachelor of Science in the field of computer science with specific focus on network software programming, networking, and server maintenance.

Metropolitan Community College (Penn Valley) – 2013 to 2015

- Associates in science will be received in the summer of 2015.
- MCCCKC Deans list award received for excellence in academics by maintain a cumulative GPA of over 3.75.
