

Marc Pepperman

1229 1/2 Union Ave. • Kansas City, MO 64101 • Phone: 8169771382 • E-Mail: marcpepperman@gmail.com

Objective

To find an interesting position with a growing company that allows me to utilize my skills and strong work ethic.

Experience

Kauffman Center for the Performing Arts (Aramark)

August 2012 - Present

- Guest services and bartending for many sold out shows as well as events at Kauffman center for the performing arts.
- Set up, served, and broke down large events that had up to 600 people including clients, political figures, and potential donors to the Kansas City arts program.

Atlantic Records

May 2006 - August 2012

- Writer/Artist/Producer/Engineer with the local band “the Republic Tigers”.
- Debut full length was on iTunes top 50, musical guest on “the Late Show with David Letterman”, and guest on KCRW’s “The Morning Becomes Eclectic” with Nic Harcourt (a nationally syndicated public radio show with streams in the millions).
- Managed deadlines and rigorous touring schedules while also producing music for retail sale, film, and television use.

Crosstown Station

December 2009 - October 2011

- Bartender and Assistant Manager
- Learned to manage very large crowds and large sums of cash while monitoring inventory and portion control.
- Honed and crafted my knowledge of classic cocktails and inventing new drinks, shots, and cocktails.
- Managed many nightly duties including payroll, data entry, and cash handling while supervising employees on staff.

The Brick

September 2008 - December 2009

- Bartended For Sold out shows as well as running both bar and serving a busy dining room.
- Helped with inventory management, event planning, and programming of house computers and cash registers.

Musicians Friend

February 2001 - May 2006

- Sales, promoted to sales manager enabling me to take rolls as cashier, inventory control, and general warehouse labor/management.
- Maintained a client base that with expertise and vast knowledge led me to be top salesman of 2002-2004.
Designed and set up large and small pro audio and recording operations for some of Kansas City’s largest churches, studios, and live venues.

Skills

Mac OSX 10.4.1 and higher, LINUX, Windows 3.5 and higher, Microsoft Suite, IT troubleshooting, hardware software repair, excellent cocktail and spirit knowledge, great at multi-tasking and customer service, MO state liquor and food handlers permits, (audio) Pro Tools 7 and higher, Reason 3.0 and higher, Logic, and Ableton live.
